| One challenge I have is finding courses that meet the TX Ethics requirement. How can we find courses that meet this criteria, 223 since it is not an available option in the dropdown Search menu? 224 What is the difference between lecture, workship, seminar, class for the purposes of "course type"? I just tried to add a 1 hour CEU that is both Distinct Population and Towards 50% rule, but it wouldnt' let me assign it to both. It ended up saying I had 2 hours instead of recognizing the 1 CEU as also counting towards the 50%. How do I count it 225 towards both? 226 never mind, doesn't apply to sw 227 Jason keeps saying that these pro studies are not available to social workers. | |
