882.21. License Statuses.

- (a) Active Status. Any licensee with a license on active status may practice pursuant to that license, subject to any restrictions imposed by the Council.
- (b) Inactive Status.
 - (1) A licensee with an unrestricted active or delinquent license may elect inactive status through the Council's online licensing system. A licensee who elects inactive status must pay the associated fee. A licensee may not engage in the practice of the licensee's respective profession under an inactive license.
 - (2) A licensee with an inactive license is not required to comply with continuing education requirements while the license is inactive.
 - (3) The inactive status period for a license shall coincide with the license renewal period. At the end of the renewal period, if the inactive status has not been renewed or the license returned to active status, the license will expire, unless there is a complaint pending against the license. An inactive license with a pending complaint that has not been renewed or returned to active status within the renewal period will remain in inactive status until resolution of the complaint. Upon resolution, the license shall be subject to any resulting disciplinary action and, if not revoked or resigned, shall expire.
 - (4) In order to continue on inactive status, an inactive licensee must renew the inactive status each renewal period. Licensees may renew their inactive status through the Council's online licensing system by completing the online renewal requirements and paying the associated fee.
 - (5) A licensee with a pending complaint may not place a license on inactive status. The Council may sanction a license on inactive status for violations of its rules. If disciplinary action is taken against a licensee's inactive license, the licensee must reactivate the license until the terms of the disciplinary action or restricted status have been terminated. Failure to reactivate a license when required by this paragraph shall constitute grounds for further disciplinary action.
 - (6) An inactive license may be reactivated at any time by applying for active status through the online licensing system. When reactivating a license, a licensee must pay the renewal fee associated with the license. A

license that has been reactivated is subject to the standard renewal schedule and requirements, including renewal and late fees. Notwithstanding the foregoing, a license that is reactivated within 60 days of its renewal date will be considered as having met all renewal requirements and will be renewed for the next renewal period.

- (7) Any licensee reactivating a license from inactive status must provide proof of completion of the continuing education requirements for renewal of that particular license before reactivation will occur.
 - (8) A licensee wishing to reactivate a license that has been on inactive status for four years or more must take and pass the relevant jurisprudence exam with the minimum acceptable score, unless the licensee holds another license on active status within the same profession.
- (c) **Delinquent Status.** A licensee who fails to renew a license for any reason when required is considered to be on delinquent status. A licensee may not engage in the practice of the licensee's respective profession under a delinquent license. The Council may sanction a delinquent licensee for violations of its rules. Any license delinquent for more than 12 consecutive months may not be renewed and shall expire unless there is a complaint pending against the license. A license with a pending complaint that has been delinquent for more than 12 months will remain in delinquent status until resolution of the complaint. Upon resolution, the license shall be subject to any resulting disciplinary action and, if not revoked or resigned, shall expire.
- (d) **Restricted Status.** Any license that is currently suspended, on probated suspension, or is currently required to fulfill some requirements in an agency order is a restricted license. A licensee may not engage in the practice of the licensee's respective profession under a suspended license. A licensee who is under a probated suspension or other restriction may only practice under the terms of that restriction.
- (e) **Retirement Status.** A licensee who is on active, inactive, or delinquent status may retire the license by submitting an online application to the Council. However, a licensee with a pending complaint or restricted license may not retire the license. A licensee who retires a license shall be reported to have retired in good standing. A licensee may not engage in the practice of the licensee's respective profession under a retired license.

- (f) Resignation Status. A licensee may resign only upon express agreement with the Council. A licensee may not engage in the practice of the licensee's respective profession under a resigned license.
- (g) Expired Status. A license that has been delinquent for more than 12 consecutive months or any inactive license that is not renewed or reactivated is considered to be expired, except delinquent or inactive licenses pending complaint resolution. A licensee may not engage in the practice of the licensee's respective profession under an expired license.
- (h) Revoked Status. A revoked status results from a license being revoked pursuant to an agency order. A licensee may not engage in the practice of the licensee's respective profession under a revoked license.

- (b) An application for reinstatement shall be in writing and in the form prescribed by the Council.
- (c) In the case of revocation or resignation, application for reinstatement shall not be made prior to one year after the effective date of the revocation or resignation or prior to any time period specified in the order of revocation or resignation. A person whose license was revoked under §108.053 may apply for reinstatement of the license if the person meets the requirements of §108.055 of the Occupations Code.
- (d) A person seeking reinstatement of a license shall appear before the Council or member board to answer any questions or address any concerns raised by the person's application if requested by a council or board member or the Executive Director. Failure to comply with this paragraph shall constitute grounds for denial of the application for reinstatement.
- (e) The Council may approve or deny an application for reinstatement, and in the case of a denial, the Council may also set a reasonable period that must elapse before another application may be filed. The Council may also impose reasonable terms and conditions that an applicant must satisfy before reinstatement of an unrestricted license.

- (f) An application for reinstatement of an expired, retired, revoked, or resigned license may be granted upon proof of each of the following:
 - (1) payment of the application fee;
 - (2) submission of a self-query report from the National Practitioner Data Bank (NPDB) reflecting any disciplinary history or legal actions taken against the applicant. A self-query report must be submitted to the agency as a PDF that ensures the self-query is exactly as it was issued by the NPDB (i.e., a digitally certified self-query response) or in the sealed envelope in which it was received from the NPDB;
 - (3) a fingerprint based criminal history check which reflects no disqualifying criminal history;
 - (4) passage of any examinations required by a member board;
 - (5) documentation of any continuing education required by a member board; and
 - (6) submission of any other documentation or information requested in the application or which the Council or a member board may deem necessary in order to ensure the public's safety.
- (g) The Council will evaluate each of the following criteria when considering reinstatement of an expired, revoked, or resigned license:
 - (1) circumstances surrounding the expiration, revocation, or resignation of the license;
 - (2) conduct of the applicant subsequent to the expiration, revocation, or resignation of the license;
 - (3) lapse of time since the expiration, revocation, or resignation of the license;
 - (4) compliance with all terms and conditions imposed by the Council or a member board in any previous order; and
 - (5) applicant's present qualification to practice the regulated profession based upon the history of related employment, service, education, or training, as well as the applicant's continuing education since the expiration, revocation, or resignation of the license.
- (h) Notwithstanding time limits on original applications and examinations found elsewhere in these rules, an applicant seeking reinstatement of a license must submit all required documentation and information, and successfully pass all required examinations within the period specified by the Council. Failure to do so shall result in the application for reinstatement expiring.

- (b) A license may be issued to a military service member, military veteran, or military spouse upon proof of one of the following:
 - (1) the applicant holds a current license in good standing in another jurisdiction that has a similar scope of practice as the license sought in this state as defined by the Texas Occupations Code; or
 - (2) within the five years preceding the application date, the applicant held the license sought in this state.
- (c) An applicant applying as a military spouse must submit proof of marriage to a military service member.
- (d) As part of the application process, the Executive Director may waive any prerequisite for obtaining a license, other than the requirements in subsection (b) of this section, the jurisprudence examination, and the fingerprint criminal history background check, if it is determined that the applicant's education, training, and experience provide reasonable assurance that the applicant has the knowledge and skills necessary for entry-level practice under the license sought. When making this determination, the Executive Director must consult with the relevant member board or its designated application or licensing committee and consider the board's or committee's input and recommendations. In

the event the Executive Director does not follow a recommendation of the board or committee, the Executive Director must submit a written explanation to the board or committee explaining why its recommendation was not followed. No waiver may be granted where a military service member or military veteran holds a license issued by another jurisdiction that has been restricted, or where the applicant has a disqualifying criminal history.

- (f) Each member board shall develop and maintain a method for applying credit toward license eligibility requirements for applicants who are military service members or military veterans with verifiable military service, training, or education. An applicant may not receive credit toward licensing requirements under this subsection if the applicant holds another license that has been restricted, or the applicant has a disqualifying criminal history.

- (a) Purpose. These disciplinary sanction guidelines are designed to provide guidance in assessing sanctions for violations of the Occupations Code, Chapter 507, and the Council's rules. The purpose of disciplinary sanctions is to protect the public, deter future violations, offer opportunities for rehabilitation if appropriate, punish violators, and deter others from violations. These guidelines are intended to promote consistent sanctions for similar

violations, facilitate timely resolution of cases, and encourage settlements.

- (1) Single Violation. The standard disciplinary sanctions outlined in the applicable schedule of sanctions shall apply to cases involving a single violation, and in which there are no aggravating or mitigating factors.
 - (2) Multiple Violations. The Council may impose more severe or restrictive sanctions for multiple violations.
 - (3) Aggravating and Mitigating Factors. The Council may impose more or less severe or restrictive sanctions, based on any aggravating and/or mitigating factors that are found to apply in a particular case.
 - (4) The standard and minimum disciplinary sanctions outlined below are applicable to persons who are being sanctioned for the first time. The Council may consider more severe or restrictive sanctions if a person has had a sanction assessed against them previously.
 - (5) The maximum disciplinary sanction in all cases is revocation of the license, which may be accompanied by an administrative penalty of up to \$5,000 per violation. In accordance with §507.352 of the Occupations Code, each day the violation continues or occurs is a separate violation.
 - (6) Each violation constitutes a separate offense, even if arising out of a single act.
 - (7) Failure to list a specific violation or Council rule in this rule does not prevent the Council from taking disciplinary action for such a violation.
 - (8) If a sanction for a violation of state or federal law is not listed in this rule, or specifically stated elsewhere, the sanction shall be a reprimand and administrative penalty.
 - (9) Notwithstanding paragraph (8) of this subsection, the Council will evaluate and determine the appropriate sanction for a licensee with a qualifying criminal conviction in accordance with §53.021 of the Occupations Code.
 - (10) The Council may combine an administrative penalty with another standard disciplinary sanction to protect the public or deter future violations.
- (b) Standard Disciplinary Sanctions. The Council may impose the following disciplinary sanctions which are listed in descending order of severity:
- (1) Revocation;

- (2) Suspension for a definite period of time;
 - (3) Suspension plus probation of any or all of the suspension period;
 - (4) Probation of the license for a definite period of time;
 - (5) Reprimand; and
 - (6) Administrative penalty.
- (c) The following standard disciplinary sanctions shall apply to violations of:

 - (6) Undergoing a psychological or medical evaluation by a qualified professional approved in advance by the Council and undergoing any treatment recommended pursuant to the evaluation.

While the Council will consider an ALJ's recommendations as to the sanctions to be imposed, it is not bound by such recommendations. The appropriate sanction is not a proper finding of fact or conclusion of law, and the determination of the appropriate sanction is reserved to the Council based upon the relevant schedule of sanctions and record in a contested case.

Subchapter E. License Suspension.

884.40. Temporary Suspension of a License.

- (a) In accordance with §507.302 of the Occupations Code, a license shall be temporarily suspended when the Council or an executive committee of the Council determines that the continued practice by a licensee (respondent) would constitute a continuing and imminent threat to the public welfare.
- (b) An executive committee of the Council shall convene as follows:
 - (1) For each temporary suspension proceeding, the Council shall appoint a three-member executive committee, called a "suspension panel," to consider the information and evidence presented by agency staff. The suspension panel must have at least one member from the same profession as the respondent and a majority of members from the respondent's member board. The suspension panel shall confer with each other and name a chair of the suspension panel.
 - (2) In the event of the recusal of a suspension panel member or the inability of a suspension panel member to attend a temporary suspension proceeding, the presiding officer for the Council may appoint an alternate council member to serve on the suspension panel.

- (3) The suspension panel may convene in-person or via telephone, video conference, or other electronic means.
- (c) Temporary Suspension Hearing. The meeting at which the suspension panel considers a temporary suspension is a temporary suspension hearing. At the temporary suspension hearing, agency staff shall present evidence and information to the suspension panel that the continued practice by a person licensed by the Council would constitute a continuing and imminent threat to the public welfare. Notice of the temporary suspension hearing shall be sent to the respondent no less than 10 days before the hearing by personal service or by registered or certified mail.
- (d) Order of Temporary Suspension. If a majority of the suspension panel votes to temporarily suspend a license, the suspension shall have immediate effect, and the chair of the suspension panel will sign an Order of Temporary Suspension. The Order of Temporary Suspension shall include a factual and legal basis establishing imminent peril to the public health, safety, or welfare, as required by §2001.054(c-1) of the Government Code. The Order shall be sent to the respondent by first-class mail or email.
- (e) Temporary Suspension Without Notice. In accordance with §507.302(b) of the Occupations Code, a license may be suspended without notice to the respondent if at the time of the suspension, agency staff request a hearing before SOAH to be held as soon as practicable but no later than 14 days after the date of the temporary suspension. The hearing is referred to as the "probable cause hearing."
- (f) Notice, Continuance, and Waiver of Probable Cause Hearing. Agency staff shall serve notice of the probable cause hearing upon the respondent in accordance with SOAH's rules. The respondent may request a continuance or waiver of the probable cause hearing. If the ALJ grants the continuance request or the respondent waives the probable cause hearing, the suspension remains in effect until the suspension is considered by SOAH at the continued probable cause hearing or at the final hearing. If the probable cause hearing is not held within 14 days and the respondent did not request a continuance or waive the probable cause hearing, the suspended license is reinstated.
- (g) Probable Cause Hearing. At the probable cause hearing, an ALJ shall determine whether there is probable cause to

continue the temporary suspension of the license and issue an order on that determination.

- (h) Final Hearing. The State Office of Administrative Hearings shall hold a hearing no later than 61 days from the date of the temporary suspension. At this hearing, agency staff shall present evidence supporting the continued suspension of the license and may present evidence of any additional violations related to the licensee. This hearing is referred to as the "final hearing."
- (i) Notice and Continuance of Final Hearing. Agency staff shall send notice of the final hearing in accordance with SOAH's rules. The respondent may request a continuance or waive the final hearing. If a final hearing is not held within 61 days of the date of the temporary suspension and the respondent did not request a continuance or waive the final hearing, the license is reinstated.
- (j) Proposal for Decision. Following the final hearing, the ALJ shall issue a PFD on the suspension. The PFD may also address any other additional violations related to the licensee.
- (k) A temporary suspension takes effect immediately and shall remain in effect until:
 - (1) a final or superseding order of the Council is entered;
 - (2) the ALJ issues an order determining that there is no probable cause to continue the temporary suspension of the license; or
 - (3) a SOAH hearing is not timely held.

 - (1) enter an order of suspension of the license;
 - (2) report the suspension as appropriate; and
 - (3) demand surrender of the suspended license.

- (d) A licensee who is the subject of a court order or order from a Title IV-D agency suspending the individual's license is not entitled to a refund for any fee paid to the Council.
- (e) If a suspension overlaps a license renewal period, an individual with a license suspended under this section shall comply with the normal renewal procedures.
- (f) An individual who continues to engage in the practice of marriage and family therapy, professional counseling, psychology, or social work after the implementation of the order suspending the individual's license is liable for the same civil and criminal penalties provided for engaging in the licensed activity without a license or while a license is suspended.
- (g) On receipt of a court order or order from a Title IV-D agency vacating or staying an order suspending a license, the Executive Director shall promptly issue the affected license to the individual if the individual is otherwise qualified for the license.
- (h) The individual must pay a reinstatement fee in an amount equal to the renewal fee for the license prior to issuance of the license.

884.50. Competency Evaluations under Chapter 501 of the Occupations Code.

- (a) In accordance with §501.158 of the Occupations Code, based upon the Council's reasonable belief that an applicant or person licensed under Chapter 501 is not physically or mentally competent to provide psychological services with reasonable skill and safety to patients or has a physical or mental disease or condition that would impair the person's competency to provide psychological services, the Council may request the person submit to:
 - (1) a physical examination by a physician approved by the Council; or
 - (2) a mental examination by a physician or psychologist approved by the Council.

- (b) The Council may carry out its functions under this rule by and through an executive committee of the Council, which may convene as follows:

The competency evaluation panel must consist of a majority from TSBEP with at least one member holding the same license as the respondent. The competency evaluation panel shall confer with each other and name a chair for the panel.

 - (3) The competency evaluation panel may convene in-person or via telephone, video conference, or other electronic means.
- (c) If the person should refuse, ignore, or fail to comply with the Council's request, the Council shall issue an order requiring the person to show cause for the person's refusal at a hearing on the order scheduled for not later than the thirtieth (30) day after the date the notice is served on the person. Notice shall be provided by either personal service or by registered mail, return receipt requested. The meeting at which the Council considers a person's failure to comply with an examination request is a "show cause hearing." At the show cause hearing, agency staff may present evidence and information to the Council that demonstrates the reasonable belief that an examination is necessary and may also present evidence of any additional violations related to the person. The person may appear, at the show cause hearing, in person and by counsel and present evidence to justify the person's refusal to submit to examination as well as respond to any additional violations.
- (d) After the show cause hearing, if a majority of the Council votes that the person's failure to comply with the request was unjustified then the Council shall issue an order requiring the person to submit to the examination. If a

majority of the Council votes that the person's failure to comply with the request was justified, then the Council shall issue an order withdrawing the request for the examination.

- (e) If the person fails to comply with the order issued after the show cause hearing requiring the person to submit to a physical or mental examination, the Council may take disciplinary action against the person by docketing the matter at SOAH.
- (f) Following a SOAH hearing, the ALJ shall issue a PFD on whether the person's failure to comply with the Council's order and request was justified. The PFD shall also address any other additional violations related to the person.
- (g) The Council shall review the PFD at a regularly scheduled meeting after the PFD is issued and the Council shall issue a final order in the matter.

- immediately request release from the client to inform the other mental health services provider and strive to establish a positive and collaborative professional relationship.
- (t) A licensee may not aid or abet the unlicensed practice of marriage and family therapy services by a person required to be licensed under the Act. A licensee must report to the council knowledge of any unlicensed practice.
 - (u) A licensee may not enter into a non-professional relationship with a client's family member or any person having a personal or professional relationship with a client, if the licensee knows or reasonably should have known such a relationship could be detrimental to the client.
 - (v) A licensee must refrain from providing services when they know or should know that their physical or mental health or lack of objectivity are likely to impair their competency or harm a client or other person with whom they have a professional relationship.

801.55. Parenting Coordination.

- (a) In accordance with the Texas Family Code, §153.601(3), "parenting coordinator" means an impartial third party:
 - (1) who, regardless of the title by which the person is designated by the court, performs any function described in the Texas Family Code, §153.606, in a suit affecting the parent-child relationship; and
 - (2) who:

 - (B) is not appointed under another statute or a rule of civil procedure.

- (b) A licensee who serves as a parenting coordinator is not acting under the authority of a license issued by the council, and is not engaged in the practice of marriage and family therapy. - (c) A licensee who serves as a parenting coordinator has a duty to provide the information in subsection (b) of this section, to the parties to the suit.
- (d) Records of a licensee serving as a parenting coordinator are confidential under the Texas Civil Practices and Remedies Code, §154.073. Licensees serving as a confidential parenting coordinator shall comply with the Texas Civil Practices and Remedies Code, Chapter 154, relating to the release of information.
- (e) A licensee may not provide marriage and family therapy services to any person while simultaneously providing parenting coordination services. 801.56. Parent Facilitation.

- (a) In accordance with House Bill 1012, 81st Legislature, Regular Session, 2009, and Texas Family Code, Chapter 153, this section establishes the practice standards for licensees who desire to serve as parenting facilitators.
- (b) In accordance with the Texas Family Code, §153.601(3-a), a "parenting facilitator" means an impartial third party:
 - (1) who, regardless of the title by which the person is designated by the court, performs any function described by the Texas Family Code, §153.6061, in a suit affecting the parent-child relationship; and
 - (2) who:
 - (A) is appointed under Texas Family Code, Subchapter K (relating to Parenting Plan, Parenting Coordinator, and Parenting Facilitator) by the court on its own motion, or on a motion or agreement of the parties, to assist parties in resolving parenting issues through procedures that are not confidential; and

- (B) is not appointed under another statute or a rule of civil procedure.
- (c) Notwithstanding any other provision of this chapter, licensees who desire to serve as parenting facilitators must comply with all applicable requirements of the Texas Family Code, Chapter 153, and this section. Licensees must also comply with all requirements of this chapter unless a provision is clearly inconsistent with the Texas Family Code, Chapter 153, or this section.
- (d) In accordance with the Texas Family Code, §153.6102(e), a licensee serving as a parenting facilitator may not provide other marriage and family therapy services to any person while simultaneously providing parenting facilitation services. The foregoing rule does not apply if the court enters a finding that mental health services are not readily available in the location where the parties reside.
- (e) In accordance with the Texas Family Code, §153.6101(b)(1), an LMFT Associate may not serve as a parenting facilitator.
- (f) A licensee serving as a parenting facilitator uses child-focused alternative dispute resolution processes, assists parents in implementing their parenting plan by facilitating the resolution of disputes in a timely manner, educates parents about children's needs, and engages in other activities as referenced in the Texas Family Code, Chapter 153.
- (g) A licensee serving as a parenting facilitator must assist the parties involved in reducing harmful conflict and in promoting the best interests of the children.
- (h) A licensee serving as a parenting facilitator functions in four primary areas in providing services.
- (1) Conflict management function. The primary role of the parenting facilitator is to assist the parties to work out disagreements regarding the children to minimize conflict. To assist the parents in reducing conflict, the parenting facilitator may monitor the electronic or written exchanges of parent communications and suggest productive forms of communication that limit conflict between the parents.
 - (2) Assessment function. A parenting facilitator must review applicable court orders, including protective orders, social studies, and other relevant records to analyze the impasses and issues as brought forth by the parties.

- (3) Educational function. A parenting facilitator must educate the parties about child development, divorce, the impact of parental behavior on children, parenting skills, and communication and conflict resolution skills.
- (4) Coordination/case management function. A parenting facilitator must work with the professionals and systems involved with the family (for example, mental health, health care, social services, education, or legal) as well as with extended family, stepparents, and significant others as necessary.
- (i) A licensee serving as a parenting facilitator must be alert to the reasonable suspicion of acts of domestic violence directed at a parent, a current partner, or children. The parenting facilitator must adhere to protection orders, if any, and take reasonable measures to ensure the safety of the participants, the children and the parenting facilitator, while understanding that even with appropriate precautions a guarantee that no harm will occur may not be stated or implied.
- (j) In order to protect the parties and children in domestic violence cases involving power, control and coercion, a parenting facilitator must tailor the techniques used to avoid offering the opportunity for further coercion.
- (k) A licensee serving as a parenting facilitator must be alert to the reasonable suspicion of substance abuse by parents or children, as well as mental health impairment of a parent or child.
- (l) A licensee serving as a parenting facilitator may not provide legal advice.
- (m) A licensee serving as a parenting facilitator must serve by written agreement of the parties and/or formal order of the court.
- (n) A licensee serving as a parenting facilitator may not begin to provide services until the licensee has received and reviewed the fully executed and filed court order or the signed agreement of the parties.
- (o) A licensee serving as a parenting facilitator must maintain impartiality in the process of parenting facilitation. Impartiality means freedom from favoritism or bias in word, action, or appearance, and includes a commitment to assist all parties, as opposed to any one individual.
- (p) A licensee serving as a parenting facilitator:

- (1) must end or withdraw services if the licensee determines the licensee cannot act in an impartial or objective manner;
 - (2) may not give or accept a gift, favor, loan or other item of value from any party having an interest in the parenting facilitation process;
 - (3) may not coerce or improperly influence any party to make a decision;
 - (4) may not intentionally or knowingly misrepresent or omit any material fact, law, or circumstance in the parenting facilitator process; and
 - (5) may not accept any engagement, provide any service, or perform any act outside the role of parenting facilitation that would compromise the facilitator's integrity or impartiality in the parenting facilitation process.
- (q) A licensee serving as a parenting facilitator may make referrals to other professionals to work with the family, but must avoid actual or apparent conflicts of interest by referrals. A licensee may not give or receive a commission, rebate, or similar remuneration for parenting facilitation or other professional referrals.
- (r) A licensee serving as a parenting facilitator should attempt to bring about resolution of issues by agreement of the parties; however, the parenting facilitator is not acting in a formal mediation role. An effort towards resolving an issue, which may include therapeutic, mediation, education, and negotiation skills, does not disqualify a licensee from making recommendations regarding any issue that remains unresolved after efforts of facilitation.
- (s) A licensee serving as a parenting facilitator must communicate with all parties, attorneys, children, and the court in a manner which preserves the integrity of the parenting facilitation process and considers the safety of the parents and children.
- (t) A licensee serving as a parenting facilitator:
- (1) may meet individually or jointly with the parties, as deemed appropriate by the parenting facilitator, and may interview the children;
 - (2) may interview any individual who provides services to the children to assess the children's needs and wishes; and
 - (3) may communicate with the parties through face-to-face meetings or electronic communication.

- (u) A licensee serving as a parenting facilitator must, before the beginning of the parenting facilitation process and in writing, inform the parties of:
 - (1) the limitations on confidentiality in the parenting facilitation process; and
 - (2) the basis of fees and costs and the method of payment, including any fees associated with postponement, cancellation and/or nonappearance, and the parties' pro rata share of the fees and costs as determined by the court order or written agreement of the parties.
- (v) Information obtained during the parenting facilitation process may not be shared outside the parenting facilitation process except for professional purposes, as provided by court order, by written agreement of the parties, or as directed by the council.
- (w) In the initial session with each party, a licensee serving as a parenting facilitator must review the nature of the parenting facilitator's role with the parents to ensure that they understand the parenting facilitation process.
- (x) A licensee serving as a parenting facilitator:
 - (1) must comply with all mandatory reporting requirements, including but not limited to Texas Family Code, Chapter 261, concerning abuse or neglect of minors;
 - (2) must report to law enforcement or other authorities if they have reason to believe that any participant appears to be at serious risk to harm themselves or a third party;
 - (3) must maintain records necessary to support charges for services and expenses, and must make a detailed accounting of those charges to the parties and their counsel, if requested to do so;
 - (4) must maintain notes regarding all communications with the parties, the children, and other persons with whom they speak about the case; and
 - (5) must maintain records in a manner that is professional, legible, comprehensive, and inclusive of information and documents that relate to the parenting facilitation process and that support any recommendations made by the licensee.
- (y) Records of a licensee serving as a parenting facilitator are not mental health records and are not subject to the disclosure requirements of Texas Health and Safety Code, Chapter 611. At a minimum, records shall be maintained

for the period of time described in §153.6083(c) of the Texas Family Code (concerning Communications and Recordkeeping of Parenting Facilitator) or as otherwise directed by the court.

- (z) Records of a licensee serving as a parenting facilitator must be released on the request of either parent, as directed by the court, or as directed by the council.
- (aa) Charges for parenting facilitation services must be based upon the actual time expended by the parenting facilitator, or as directed by the written agreement of the parties, and/or formal order of the court.
- (bb) All fees and costs must be appropriately divided between the parties as directed by the court order of appointment and/or as noted in the parenting facilitators' written fee disclosure to the parties.
- (cc) Fees may be disproportionately divided fees if one parent is disproportionately creating a need for services and if such a division is outlined in the court order of appointment and/or as noted in the parenting facilitators' written fee disclosure to the parties.
- (dd) Services and activities for which a licensee serving as a parenting facilitator may charge include time spent interviewing parents, children and collateral sources of information; preparation of agreements, correspondence, and reports; review of records and correspondence; telephone and electronic communication; travel; court preparation; and appearances at hearings, depositions and meetings.
- (ee) A licensee serving as a parenting facilitator:
 - (1) must complete minimum training as required by the Texas Family Code, §153.6101, as determined by the appointing court;
 - (2) must have extensive practical experience with high conflict or litigating parents;
 - (3) must complete and document upon request advanced training in family dynamics, child maltreatment, co-parenting, and high conflict separation and divorce; and
 - (4) must regularly complete continuing education related to co-parenting issues, high-conflict families and the parenting coordination and facilitation process.
- (ff) A licensee serving as a parenting facilitator must decline an appointment, withdraw, or request appropriate assistance when the facts and circumstances of the case are beyond the licensee's skill or expertise.

- (gg) Since parenting facilitation services are addressed under multiple titles in different jurisdictions nationally, acceptability of training to meet the requirements of subsection (cc) of this section, is based on functional skills taught during the training rather than the use of specific titles or names.

- (d) A licensee may not provide any other type of service, neither sequentially nor simultaneously in the same case that he or she provides a child custody evaluation, unless required by court order.

- (g) An LMFT Associate may not conduct child custody evaluations or adoption evaluations unless qualified by another professional license to provide such services or otherwise allowed by law.
- (h) An LMFT who has completed a doctoral degree and at least 10 court-ordered child custody evaluations under the supervision of an individual qualified by the Texas Family Code, Chapter 107 to perform child custody evaluations is qualified to conduct child custody evaluations under Texas Family Code, Chapter 107. - (2) "Professional" means:
 - (A) a person authorized to practice medicine in any state or nation;
 - (B) a person licensed or certified by this state to diagnose, evaluate, or treat any mental or emotional condition or disorder; or
 - (C) a person the patient reasonably believes is authorized, licensed, or certified as provided by this subsection.

§611.002. Confidentiality of Information and Prohibition Against Disclosure.

- (a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.
- (b) Confidential communications or records may not be disclosed except as provided by Section 611.004, 611.0041 or 611.0045.
- (b-1) No exception to the privilege of confidentiality under Section 611.004 may be construed to create an independent duty or requirement to disclose the confidential information to which the exception applies.
- (c) This section applies regardless of when the patient received services from a professional.

§611.003. Persons Who May Claim Privilege of Confidentiality.

- (a) The privilege of confidentiality may be claimed by:
 - (1) the patient;
 - (2) a person listed in Section 611.004(a)(4) or (a)(5) who is acting on the patient's behalf; or
 - (3) the professional, but only on behalf of the patient.

§611.004. Authorized Disclosure on Confidential Information Other Than in Judicial or Administrative Proceeding.

- (a) A professional may disclose confidential information only:
- (1) to a governmental agency if the disclosure is required or authorized by law;

 - (3) to qualified personnel for management audits, financial audits, program evaluations, or research, in accordance with Subsection (b);

 - (B) will take appropriate steps to protect the information; or
 - (11) to satisfy a request for medical records of a deceased or incompetent person pursuant to Section 74.051(e), Civil Practice and Remedies Code.

- (a-1) No civil, criminal, or administrative cause of action exists against a person described by Section 611.001(2)(A) or (B) for the disclosure of confidential information in accordance with Subsection (a)(2). A cause of action brought against the person for the disclosure of the confidential information must be dismissed with prejudice.
- (b) Personnel who receive confidential information under Subsection (a)(3) may not directly or indirectly identify or otherwise disclose the identity of a patient in a report or in any other manner.
- (c) The exception in Subsection (a)(8) applies only to records created by the state hospital or state school or by the employees of the hospital or school. Information or records that identify a patient may be released only with the patient's proper consent.
- (d) A person who receives information from confidential communications or records may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the person first obtained the information. This subsection does not apply to a person listed in Subsection (a)(4) or (a)(5) who is acting on the patient's behalf.

§611.0041. Required Disclosure of Confidential Information Other Than in Judicial or Administrative Proceeding.

- (a) In this Section:

 - (2) the professional does not have information indicating that releasing the medical record is inconsistent with any prior expressed preference of the deceased patient or personal representatives of the deceased patient's estate.
- (c) A person who receives information from confidential communications or records may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the person first obtained the information.

§611.0045. Right to Mental Health Record.

- (a) Except as otherwise provided by this section, a patient is entitled to have access to the content of a confidential record made about the patient.
- (b) The professional may deny access to any portion of a record if the professional determines that release of that portion would be harmful to the patient's physical, mental, or emotional health.
- (c) If the professional denies access to any portion of a record, the professional shall give the patient a signed and dated written statement that having access to the record would be harmful to the patient's physical, mental, or emotional health and shall include a copy of the written statement in the patient's records. The statement must specify the portion of the record to which access is denied, the reason for denial, and the duration of the denial.
- (d) The professional who denies access to a portion of a record under this section shall redetermine the necessity for the denial at each time a request for the denied portion is made. If the professional again denies access, the professional shall notify the patient of the denial and document the denial as prescribed by Subsection (c).
- (e) If a professional denies access to a portion of a confidential record, the professional shall allow examination and copying of the record by another professional if the patient selects the professional to treat the patient for the same or a related condition as the professional denying access.
- (f) The content of a confidential record shall be made available to a person listed by Section 611.004(a)(4) or (5) who is acting on the patient's behalf.
- (g) A professional shall delete confidential information about another person who has not consented to the release, but may not delete information relating to the patient that another person has provided, the identity of the person responsible for that information, or the identity of any person who provided information that resulted in the patient's commitment.
- (h) If a summary or narrative of a confidential record is requested by the patient or other person requesting release under this section, the professional shall prepare the summary or narrative.
- (i) The professional or other entity that has possession or control of the record shall grant access to any portion of the record to which access is not specifically denied under this

section within a reasonable time and may charge a reasonable fee.

- (j) Notwithstanding Section 159.002, Occupations Code, this section applies to the release of a confidential record created or maintained by a professional, including a physician, that relates to the diagnosis, evaluation, or treatment of a mental or emotional condition or disorder, including alcoholism or drug addiction.
- (k) The denial of a patient's access to any portion of a record by the professional or other entity that has possession or control of the record suspends, until the release of that portion of the record, the running of an applicable statute of limitations on a cause of action in which evidence relevant to the cause of action is in that portion of the record.

§611.005. Legal Remedies for Improper Disclosure or Failure to Disclose.

- (4) a judicial or administrative proceeding to substantiate and collect on a claim for mental or emotional health services rendered to the patient;
 - (5) a judicial proceeding if the judge finds that the patient, after having been informed that communications would not be privileged, has made communications to a professional in the course of a court-ordered examination relating to the patient's mental or emotional condition or disorder, except that those communications may be disclosed only with respect to issues involving the patient's mental or emotional health;
 - (6) a judicial proceeding affecting the parent-child relationship;
 - (7) any criminal proceeding, as otherwise provided by law;
 - (8) a judicial or administrative proceeding regarding the abuse or neglect, or the cause of abuse or neglect, of a resident of an institution, as that term is defined by Chapter 242;
 - (9) a judicial proceeding relating to a will if the patient's physical or mental condition is relevant to the execution of the will;
 - (10) an involuntary commitment proceeding for court-ordered treatment or for a probable cause hearing under:

- (b) A patient may not revoke a disclosure that is required for purposes of making payment to the professional for mental health care services provided to the patient.

- (c) A patient may not maintain an action against a professional for a disclosure made by the professional in good faith reliance on an authorization if the professional did not have notice of the revocation of the consent.

§611.008. Request by Patient.

- (a) On receipt of a written request from a patient to examine or copy all or part of the patient's recorded mental health care information, a professional, as promptly as required under the circumstances but not later than the 15th day after the date of receiving the request, shall:
 - (1) make the information available for examination during regular business hours and provide a copy to the patient, if requested; or
 - (2) inform the patient if the information does not exist or cannot be found.
- (b) Unless provided for by other state law, the professional may charge a reasonable fee for retrieving or copying mental health care information and is not required to permit examination or copying until the fee is paid unless there is a medical emergency.
