These alternate locations will be open to the public, but seating is limited to first come, first served. Due to the size of these alternate meeting rooms, public seating will be limited by their relative occupancy ratings.

To obtain a copy of the recording, please contact the Council's public information officer at Open.Records@bhec.texas.gov.

For members of the public wishing to give public comment, once the public comment item is reached on the agenda after the meeting convenes, the presiding member will allow those who are attending in person to give public comment first and then ask those joining by computer to use the "raise hand" feature to indicate who would like to make a public comment. Those individuals who raise their hand will then be unmuted to give public comment. Once all individuals with raised hands have been given an opportunity to make public comment, the individuals appearing by telephone will be unmuted and asked whether they would like to make a public comment. Please note that public comments are not intended for a discussion or a question-and-answer session with the Board. Additionally, when making a public comment, please identify yourself and whether you are speaking individually or on behalf of an organization. All public comments will be limited to 3 minutes, unless otherwise directed by the presiding officer. In lieu of providing public comment during the meeting, you may submit written public comments by <https://forms.office.com/r/Ls1v21WeTp>. Only those written public comments received by 5pm on the last business day prior to the meeting will be submitted to the council members for their consideration. No written comments received will be read aloud during the meeting.
